EFFORTLESS MAINTENANCE

Our forward self-adjusting brakes make brake maintenance a breeze. The system automatically adjusts the brake shoes as they wear down, eliminating the need for manual adjustments.

STYLISH FRONT STOP RAIL

The 10CH is equipped with a stylish structural front stop rail that also helps secure your vehicle and other cargo.

REMOVABLE FENDERS

This tandem axle car hauler comes equipped with rolled steel fenders. They are bolted on for easy removal and reinstallation, helping provide flexible loading and easy maintenance.
