BigTex TRAILERS

HEAVY DUTY FRAME AND DESIGN

For the ultimate in strength and durability, these models feature an 8" I-Beam frame and a 10" I-Beam neck (Gooseneck), ensuring a robust and long-lasting structure that can handle even the toughest tasks.

EQUIPMENT-READY DESIGN

These models are designed for hauling equipment with the optional slide-in ramp package. Plus, 4 D-rings within the bed ensure secure and stable anchoring for your equipment.

FEATURE-PACKED

These models come standard with all the essentials, including a 12K Jack, Rear Stabilizer Jacks, Side Steps, Tarp Kit, Onboard Battery Charger, and Rear Combo Gates, giving you a well-rounded user experience.

EFFORTLESS MAINTENANCE

Our forward self-adjusting brakes make brake maintenance a breeze. The system automatically adjusts the brake shoes as they wear down, eliminating the need for manual adjustments.

Big Tex Trailers reserves the right to change price, design, material and/or specification without notice or obligation.
